Dingfei Hu, Andres Martinez, and Keri C. Hornbuckle: Discovery of Non-Aroclor PCB (3,3'-Dichlorobiphenyl) in Chicago Air

Two errors are corrected here:

1. The correct longitude/latitude for Location 47 is 41°39'13.24" N, 87°36'17.80" W instead of 41°45'23.69" N, 87°36'28.07" W. This applies to the Supporting Information and map figures with this sampling location.

2. Figure 5. Atmospheric concentrations (expressed as natural logarithm of partial pressure in atmospheres) of gas-phase PCB11 correlated with ambient temperature (K). The scale on the vertical axis was incorrect in the original paper.

Pushpa Lata, Siya Ram, Madhoolika Agrawal, and Rishi Shanker*: Real Time PCR for the Rapid Detection of *vanA* Gene in Surface Waters and Aquatic Macrophyte by Molecular Beacon Probe

In paragraph 2 of the Introduction MICs units were presented incorrectly as mg/mL rather than $\mu\text{g/mL}$. The following changes should be made:

In "The VanA phenotype possesses inducible, high-level resistance to vancomycin (MICs, ≥ 64 mg/mL) and teicoplanin (MICs, ≥ 16 mg/mL)", change (MICs, ≥ 64 mg/mL) to (MICs, ≥ 64 $\mu\text{g/mL}$) and teicoplanin (MICs, ≥ 64 mg/mL) to (MICs, ≥ 16 $\mu\text{g/mL}$).
