

Correction for “Effect of Nickel, Lanthanum, and Yttrium Addition to Magnesium Molybdate Catalyst on the Catalytic Activity for Oxidative Dehydrogenation of Propane”

S. N. Koc,* G. Gurdag, S. Geissler, and M. Muhler

Ind. Eng. Chem. Res. **2004**, 43, 2376–2381 (DOI: 10.1021/ie030741j)

Because of a production error, Figure 2 in the version of this paper that was published online April 3, 2004 (on page 2377) needs to be corrected. The corrected version should appear as shown below:

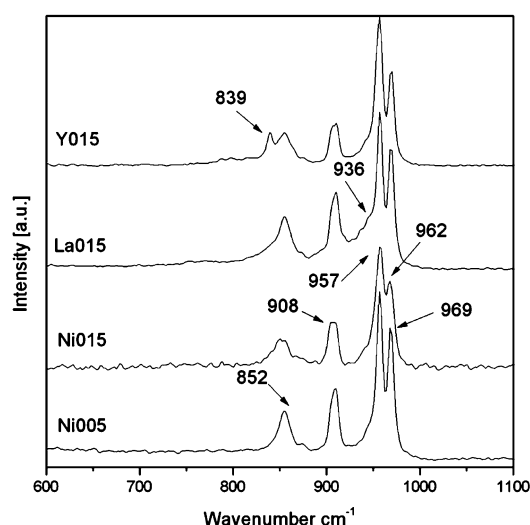

Figure 2. Raman spectra of MeMgMoO_x catalysts containing 5% and 15% Me.
