

## Correction to An Introduction to Enzyme Kinetics, Part Deux

Addison Ault\*

*Journal of Chemical Education* **2011**, 88, 63. DOI: 10.1021/ed1004432

The originally submitted version of the article, "Representing Rate Equations for Enzyme-Catalyzed Reactions", was published in the January 2011 issue, instead of the accepted version, "An Introduction to Enzyme Kinetics, Part Deux". The Online version was corrected on December 16, 2011. The submitted version that appeared in the January 2011 issue is included as Supporting Information for reference. The author regrets the error.
