

## Correction to Vulnerability of Recently Recharged Groundwater in Principle [sic] Aquifers of the United States to Nitrate Contamination

Jason J. Gurdak\* and Sharon L. Qi

*Environ. Sci. Technol.* **2012**, *46* (11) 6004–6012; DOI: 10.1021/es300688b

Due to a production typo, the word *principal* was incorrectly spelled as *principle* in the title and in some instances in the paper that was published ASAP on May 15, 2012.
