Sara R. R. Campos and António M. Baptista*: Conformational Analysis in a Multidimensional Energy Landscape: Study of an Arginylglutamate Repeat

Page 15989. Accidentally, in some figures the units were omitted.

The unit of dissimilarity in Figures 1, 5, and 9 is nm. The unit of distance in Figures 1a–d, 5a–d, and 9 is nm. The unit of distance in Figure 1f is degrees. The unit of vectors 1 and 2 in Figures 6 and 7 is Å.
