

Correction to “Direct Observation of Vibrational Energy Flow in Cytochrome c”

Naoki Fujii, Misao Mizuno, and Yasuhisa Mizutani*

J. Phys. Chem. B **2011**, *115* (44), 13057–13064. DOI: 10.1021/jp207500b

The labels of vertical axes in Figures 2 and 6 should read “Normalized intensity change”. In Figure 4, the labels of vertical axes of should read “Relative intensity change” and “Normalized intensity change”, for the upper and lower panels, respectively. These corrections do not affect any discussion and conclusions.
