Editorial Information

CHEMICAL REVIEWS is published by
the American Chemical Society to provide
authoritative critical reviews and com-
prehensive summaries of recent research
in theoretical chemistry.

The publication of reviews in various
fields is scheduled about a year in ad-
vance. The Editor welcomes suggestions
for timely reviews. All prospective authors
should read *Suggestions to Authors of*
Articles for Chemical Reviews in *Chem.*
Rev., **79**, 3A (1979), and follow the pro-
cedure for obtaining preliminary approval
before preparing the manuscript. Unin-
vited manuscripts will be examined by the
Editorial Board but are placed at the end
of the prearranged schedule.

Manuscripts for publication should be
submitted to the Editor, Dr. Anthony M.
Trozzolo, at his Notre Dame address. In-
clude a signed ACS copyright transfer
form, a copy of which appears on p 5A of
this issue.

Correspondence regarding **accepted**
papers and proofs should be directed to
the Journals Department at the ACS
Easton address.

Bulk reprints or photocopies of indi-
vidual articles are available. For infor-
mation write to Business Operations,
Books and Journals Division, at the ACS
Washington address. An order form
showing costs for reprints is sent to the
author along with the galley proofs.

The American Chemical Society and its
Editors assume no responsibility for the
statements and opinions advanced by
contributors.
