

Correction to “Relaxation of Bulk Metallic Glasses Studied by Mechanical Spectroscopy”

Jichao Qiao, Jean-Marc Pelletier,* and Riccardo Casalini

J. Phys. Chem. B **2013**, *117* (43), 13658–13666. DOI: 10.1021/jp4067179

In our recent publication the data for the τ_β in the Figure 10b are not the correct data. The correct figure is reported below. This correction does not require any change in the text of the paper.
