

Correction to Effect of Simultaneous Consumption of Milk and Coffee on Chlorogenic Acids' Bioavailability in Humans

Giselle S. Duarte and Adriana Farah*

Journal of Agricultural and Food Chemistry **2011**, 59, 7925. DOI: 10.1021/jf201906p

On page 7930, the author name for ref 37 cited in the second paragraph should be Renouf, as should the name given for ref 37 in the Literature Cited. In addition, the percentage of whole milk reported in the same paragraph must be corrected from 20% to 10%.
