

Correction to “Theoretical Study of the Hydroxyl Radical Addition to Uracil and Photochemistry of the Formed U6OH• Adduct”

Antonio Francés-Monerris, Manuela Merchán, and Daniel Roca-Sanjuán*

2014, 118 (11), 2932–2939. DOI: 10.1021/jp412347k

The TOC/Abstract graphic has an error: the structure for the U6OH• adduct is the same as that for the U5OH• adduct, and it should be different. The correct graphic is:

The erratum and the correction do not change the results and analysis in the paper and do not affect any discussion and conclusions either.
