

## Correction to “Double-Layer in Ionic Liquids: Paradigm Change?”

A. A. Kornyshev

*J. Phys. Chem. B* **2007**, *111* (20), 5545–5557. DOI: 10.1021/jp067857o

Page 5548 contains several misprints:

Left column

1. 5th line from the top: instead of “smaller” read “larger”.
2. 13th line below eq 1: instead of “science” read “sign”.

Right column

In the last term on the right-hand side of eqs 3 and 4 the sign should be changed from  $-$  to  $+$ . Furthermore, in eq 4 the first term in the right-hand side should enter with the sign  $-$ .

These annoying typos do not propagate into the rest of the paper and do not affect any of its results.
