Correction to GIS-Based Regionalized Life Cycle Assessment: How Big Is Small Enough? Methodology and Case Study of Electricity Generation

Christopher L. Mutel,* Stephan Pfister, and Stefanie Hellweg

Equation 3, listed on page 1098, is incorrect. The correct equation is

$$h_r = (\text{MGR})^T \circ [B \cdot \text{diag}((I - A)^{-1} f)]$$ (3)

The correct equation was used in all calculations, and the case study results are not changed.
