Correction to New Calix[4]arene Appended Amberlite XAD-4 Resin with Versatile Perchlorate Removal Efficiency

The pseudo second order kinetic equation in linear form (eq 8) in the original article was published as:

$$\frac{t}{q_t} = \left(\frac{t}{k_2 q_e^2}\right) + \left(\frac{1}{q_e}\right)$$

This should be changed as follows:

$$\frac{t}{q_t} = \left(\frac{1}{k_2 q_e^2}\right) + \left(\frac{1}{q_e}\right)t$$

Also, reference 41 is not the proper reference for pseudo second order kinetic equation (eq 8). This should be removed and changed to: Ho, Y. S.; McKay, G. Pseudo-second order model for sorption processes. *Process Biochem.* **1999**, *34* (5), 451−456.
